

# **INTERNATIONAL FOOD FESTIVAL (SOUTH ASIA UNIVERSITY)**

**April 1, 2019**

Food festival play a pivotal role in cultural exchange and it is an opportunity to promote cultural awareness.

The aim of the food festival was to give the message to the world about traditional cuisines and hospitalities that were organized by the students of eight SAARC countries at the South Asian University in New Delhi.

India-Afghanistan Foundation (IAF) is honored to be the co-sponsor for this festival in order to support and encourage the Afghan students to participate in this festival and showcase the Afghan cuisines.

It is worth mentioning that Afghan food was highly appreciated by the students, the administration and the faculty members of the University.

The IAF Secretary Mr. Zaiulhaq Akhondzada, participated in this festival to encourage the students.
